Below are the courses that are most commonly dropped with this “Opt Out” option:

- Digital Literacy
- Core PE 8
- Health
- US History IA
- US History IB

If you wish to exercise this option, please fill out and return the attached form to the Counseling Department so adjustments can be made to your student’s schedule.

7TH AND 8TH GRADE STUDENT OPT-OUT FORM

Students at Young and Harris Intermediate or Box Elder and Bear River Middle Schools should complete this form if they wish to opt-out of a course(s) to take a different course(s) without dropping below a full course load of six periods a day. Note: Because the Math, English Language Arts, and Science courses prepare students for high school and college opportunities, it is highly recommended that you do not opt-out of these classes.
