Members of teams & other school groups may not be able to participate in extracurricular events with a "U" grade and will therefore need to make up their "U" citizenship grades before future participation. Students may also be prohibited from walking at graduation if they have any U's on their transcript. The following methods may be used to change a U to and N:

1. 6 hours of pre-arranged work for a non-profit community agency, (complete this form and return to counselor) OR
2. Pay \$30 per U.
